**INFORMATION DISCLOSURE STATEMENT UNDER MPEP § 2218**

Pursuant to Manual of Patent Examining Procedure (MPEP) § 2218, the owner of the entire interest in U.S. Patent No. 5,962,468 brings to the attention of the Examiner the documents cited and considered during the original prosecution of the '468 patent, which are listed on the attached PTO-1449. This Information Disclosure Statement complies with 37 C.F.R. § 1.98(a).

Copies of the listed documents are attached. With regard to published Japanese patent application 1-100165, an English language abstract is attached.

The patent owner respectfully requests that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists, and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claims in the application and applicants determine that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,
